Dear Cole,

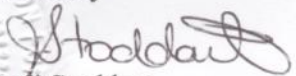

Re: Letter of Intent for Certificate of Recognition

This letter is to confirm your company is a member of the Alberta Association for Safety Partnerships, and have participated in the Partnerships Health and Safety Program Development course. We confirm you are in the process of building your program and anticipate that you will be ready for an audit to qualify for a Certificate of Recognition by October of 2004.

Once this audit is submitted to the association office, it will be subject to an independent review process for quality assurance purposes. After this process is successfully completed I will order your company a Certificate of Recognition from Alberta Human Resources and Employment.

Thank you for involving your company in the Partnerships program.

Sincerely

Jodi Stoddart
Association Administrator
